The Italians envisaged ggraing Britain into the Rome-Berlin axis, and later adding France, into a four-power mechanism that would dominate Europe without Russia. [Page 1.] The French were cool to the italian desire for an enlarged Mediterranean patrol area. [Page 16.] The Italians, incidentally, through their Under-Secretary for Air, contended that they could control the Mediterranean with their planes. [Page 15.] On the Spanish war fronts, the Loyalists said they were continuing their advance in the South, while the Insurgents repored pushing ahead on the Biscayan coast. [Page 16.]	True	BY Arnaldo Cortestwireless To the New York Times.	CIB 352358
